may 14 - may 24, 2009

THE SEED...

I recently unearthed a letter I wrote to God four years ago. At that time, I had just come back from a missions trip to Belize with IVCF. In it, the letter expressed my heartfelt thanks to God for using even me, of little faith, to do HIS work and for showing HIS presence throughout my time there. As a final note, I had written to Him that the next time He called, to give me a willing and faithful heart to follow Him.

eMi OPPORTUNITY TO SUDAN

Four years later, God has given me another amazing opportunity. God has been gently nudging me over the past year to consider serving with eMi (emicanada.org), a non-profit Christian organization whose vision of designing for the poor in the Third world has resonated deeply for me.

I will be traveling to Malakal, Sudan from May 14 to May 24 as an Architectural Designer with Engineering Ministries International Canada (emicanada.org). I am joining a 9-person team of professionals, including engineers and surveyors from all over Canada to masterplan and design for an orphanage (chiproms.com) on a 5-acre site near the Nile River. The architectural component will include a preliminary design for a dormitory, staff housing, classroom, kitchen/dining spaces, a recreational room, and shower/washroom facilities.

currency: sudanese pound

ARCHITECTURE + MISSIONS

This project is a culmination of my loves, of design and architecture and the ability to use the skills I've learned over the past six years to serve Him in the Third World. Through participating with eMi, I know I can play a small part in communicating God's love in a practical way to these orphans in Sudan.

PARTNER WITH ME:

PRAYER + ENCOURAGEMENT

Firstly, I need much prayer and encouragement from all of you. Practical concerns include safety for all of the team members, logistics (visa applications, vaccinations), a good dynamic within the team itself, and stamina for the week that we'll be designing. I also pray that we will have the opportunities to reach out to the Sudanese people and speak God's truth and love to them.

FINANCIAL SUPPORT

Secondly, as volunteers, we fund our own portion of the trip. The trip to Sudan will cost approximately \$3600. If it is in the realm of possibility for you, I hope that you can consider supporting me financially.

Thank you for reading this letter. I am excited for what God will be doing in Sudan and hope to share all about it with you in a few months' time!

This service that you perform is not only supplying the needs of God's people, but is also overflowing in many expression of thanks to God.
- 1 Corinthians 9:12

IF YOU CAN SUPPORT ME FINANCIALLY...

ONLINE DONATIONS

1. www.emicanada.org/donateonline.shtm
2. write in the comments that your donation is for: **Jennifer Ho - project #10004 - Sudan (Malakal)**

BY MAIL

1. please make cheques payable to: **Engineering Ministries International Canada**
2. please don't write my name on the cheque! (tax regulations). Include the following response card with your cheque.
3. either you can
 - a) give it to me in person and I can mail it for you
 - b) mail it to: **Engineering Ministries International Canada
4626 Bowness Road NW, Calgary, Alberta T3B 0B3**

All donations to eMi are tax deductible

I would like to partner with you to design a world of hope . . .

I will invest in the ministry of _____

volunteer's name

- prayer partner
- support of \$ _____

- Cheque payable to *eMi Canada*
- Credit Card donation through emicanada.org/donate.shtm

Do not write the volunteer's name on the cheque. Include this form (or a separate note indicating how you would like your gift used).

Name: _____

Address: _____

City: _____ Prov: _____ PC: _____

Email: _____

Phone: _____ (H) _____ (W)

Design Professional: YES NO Discipline: _____
